

## To Our Guests

Thank you for joining us in worship today - we are so glad you came. During the service a small black notebook will be passed down each row of seats. Please write your information in the book so we can have a record of your attendance. We are delighted you have chosen First Baptist as your place of worship today. We look forward to seeing you again soon.

## First Baptist Church Kids

The presence of children in worship is to be celebrated and is always welcome!

### Nursery:

A nursery is located in the children's hall and is available during every worship service for children from birth through three years of age.

### Younger Children in the Worship Service:

During worship, the Pastor will invite the children to come forward for the children's sermon. At the 11:00 service, children age four (by August) through second grade will be led by the Children's Minister to worship in Children's Church. Parents pick up their children from Children's Church room; ask an Usher or Staff Member if directions are needed.

### Helping Children Learn to Worship:

Please participate in all aspects of worship; children learn by watching and doing what others do! Assist children who remain in the sanctuary for worship in the following ways:

- Try to sit toward the front, where it's easier for children to see & hear.
- Pray together.
- Voice the responses as indicated in the worship guide.
- Sing the hymns (showing them how to follow along in the hymnal).
- Follow along with the scripture reading, using pew Bibles.
- Allow them to help pass the offering plate down their row.

*Please take a moment to silence your cell phone and other devices. Sound amplification devices are available at the soundboard.*

*\*Please stand as you are able.*

## Meditation

*We must learn from our Quaker friends to stop, to be still, to center down, to be silent enough to hear the sacred and open enough to see the sacred in life's ordinary sounds and sights. We must learn to live into life's sacred ordinary moments. We must learn to look around the table and wonder if this time might be the last time. We may never learn to look at everything hard enough. But we must begin.*

*We must begin now. Who knows how much of the sacred we have already missed? And who knows how little of life is left? Amen.*

Charles Poole

*We may ignore, but we can nowhere evade the presence of God. The world is crowded with Him. He walks everywhere incognito.*

CS Lewis

*And here in dust and dirt, O here, the lilies of his love appear.*

George Hebert

*The sacred moments, the moments of miracle, are often the everyday moments.*

Frederick Buechner
